PERSONAL PROFILE

I am a passionate front-end developer with a proven track record of creating engaging and user-friendly web experiences. With over seven years of hands-on experience in the field, I possess a deep understanding of HTML, CSS, and JavaScript, along with expertise in modern frameworks such as React .

WORK EXPERIENCE

I am an aspiring front-end developer fueled by a passion for crafting intuitive and visually appealing web experiences. Though I may lack formal work experience, I have dedicated the past two years to mastering the intricacies of HTML, CSS, and JavaScript through self-directed learning and hands-on projects.

My journey into front-end development began with a desire to bring my creative visions to life. Through a combination of online tutorials, coding challenges, and personal experimentation, I have developed a solid foundation in web development fundamentals.
